## 6.0 (a) . PHA Plan Update

#### Amendments to PHA Plan

The following plan elements have been revised.

1. The Louisiana Housing Authority (LHA)'s Annual PHA Plan for fiscal year 2009 states on page 25 of 40, Section 4.B.(1), that LHA's voucher payment standard shall be "Above 100% but at our below 110% of FMR". On December 16, 2009 the LHA amended its Annual PHA Plan by changing the referenced statement to read that LHA's voucher payment standard shall be:

"Above 100% but at or below 110% of FMR, except that LHA's payment standard for Orleans Parish shall be 100% of FMR".

2. Pages 20 and 21 of 40 the LHA admissions preference structure contains a chart indicating preference points. The chart was replaced on July 16, 2010, as follows:

Prefere	ence	Points
1.	Applicants in Tax Credit or other units designated for PSH under the Road Home Program, or receiving temporary housing under the Transitional Assistance Program, the Rental Housing Assistance Support Service, and the Rapid Rehousing Program, unless such households will be assisted otherwise	15Absolute preference
2.	Applicants with incomes not exceeding 30% AMI, or exceeding 30% of AMI only because two persons in the household receive Supplemental Security Income	15Absolute preference
3.	Permanent Supportive Housing Service Participant	9
4.	Persons inappropriately institutionalized	8*
5.	Persons displaced by Hurricanes Katrina or Rita	5
6.	Persons at risk of homelessness or living in transitional housing for persons who are homeless	2
7.	Persons at risk of institutionalization	2
8.	Homeless persons	1
9.	Non-preference or standard applicant (none of the above)	0

<sup>\*</sup>Persons in this preference category will receive 8 preference points until the total number of persons served in this category reaches 200 participants. At that point, such persons will receive 2 preference points.

3. On page 22 of 40, insert the following note in the space after the response to Question 4: "Note: Date and time may be used for some waiting lists after the initial lottery, or after subsequent lotteries."

### Additional Status Update

LHA remains in a lease-up mode and as of July 31<sup>st</sup> we have been provided HUD funding for 765 baseline units.

As of June 30, 2010, there are 682 households on the program. Virtually all households are extremely low income. The average annual income is \$8,121. 82% of the households assisted receive SSI/SS/Pension. All households are disabled. 27% of the households assisted are female headed households with children. Of the 682 households assisted 74% are Black/African American. The average household size is 1.8. 46% of the units leased are one-bedroom units.

As of June 30, 2010 there are 901 units under Housing Assistance Payment (HAP) contract. These units consist of ten (1%) studios, 399 (44%) one-bedroom units, 300 (33%) two-bedroom units, 136 (15%) three-bedroom units, 55 (6%) four-bedroom units and one (.1%) five-bedroom unit. A solicitation for owners interested in placing units on the program remains open.

There are approximately 2,294 households on waiting lists.

Because LHA is still in a lease-up mode Resident Advisory Board (RAB)s were formed in two out of the six regions served; Jefferson and Orleans. The Jefferson Parish RAB was formed because the region has fully utilized their allocation of vouchers (192). The Orleans Parish RAB was formed because the region contains the most households to date (322). LHA will form the remaining Resident Advisory Boards as the leasing in each region reaches full utilization.

#### Administrative Plan

As lease-up continues, a number of changes in the "Section 8 Housing Choice Voucher Administrative Plan: Project-Based Vouchers for Permanent Supportive Housing" (Administrative Plan) have been found to be necessary. The Administrative Plan with these changes highlighted is on display at the main offices of LHA and on LHA's website.

The RAB purpose was discussed along with an explanation of the roles and responsibilities of the RAB members. Staff went over the history of the LHA. Updates and changes to the LHA Streamlined 5-Year Plan for Fiscal Years 2009-2013 and the draft 2011 Annual Plan were reviewed. The residents were encouraged to attend 2011 Annual Plan public hearing.

After reviewing the purposed changes the RAB did not have any comments regarding the 5-Year Plan or draft 2011 Annual Plan. Other discussion by residents included the lack of outreach efforts in the community. A few mentioned that there were not enough consistent efforts made and that many people were not aware of the program. One of the residents suggested putting information in mental health clinics and other behavioral centers. Another resident suggested having a phone network where residents could contact each other, especially those members on the RAB.

Discussion continued with ideas on how residents could attend the 2011 Annual Plan public hearing. The LA Swift Bus was brought up and LHA mentioned that the bus stop was a few blocks away from where the meeting was to be held.

LHA response: Steps to increase outreach efforts are under way. Information flyers about the program will be created and disseminated in mental health clinics and other behavioral centers. Additionally, LHA requested that the RAB members be an outreach source to individuals they know that may be interested in the program.
